How to start a course on the Moodle platform?

.....

Go to the WMU Library's website and click the link to enter the Moodle platform.

E-learning courses for 1st year English Division students

Library Training for 1 year English Division students of the Faculty of Medicine (winter semester 2023/2024) 

“Library Training” (winter semester) is an e-learning course designed for English Division students of Faculty of Medicine as an optional course and is available on the Moodle platform.

The course covers 10 hours (0.5 ECTS points).

What you need to do:

- 1) Sign up for the e-course: registration form
- 2) If you haven't got a university e-mail, register at the Central Authorization System (CSA)
- 3) Log in to the Moodle platform by using your CSA user name (first_name.last_name) and password (the same that you selected when you registered at CSA).

Enter the e-course on the Moodle platform [here](#)

You should complete the e-course by 4th February 2024. The grades will be entered into the Virtual University system after the end of the winter semester.

The details about the e-course and how to get credit are available in the introductory section of the e-course.

A photograph of a wooden desk with a white cup of coffee, a red pen, and a white note. The note has the words "Good luck!" written in orange cursive. There are decorative dotted lines above and below the note. In the background, there are green leaves and red berries.

Good luck!
