

## Desiderata (suggestions for buying books)

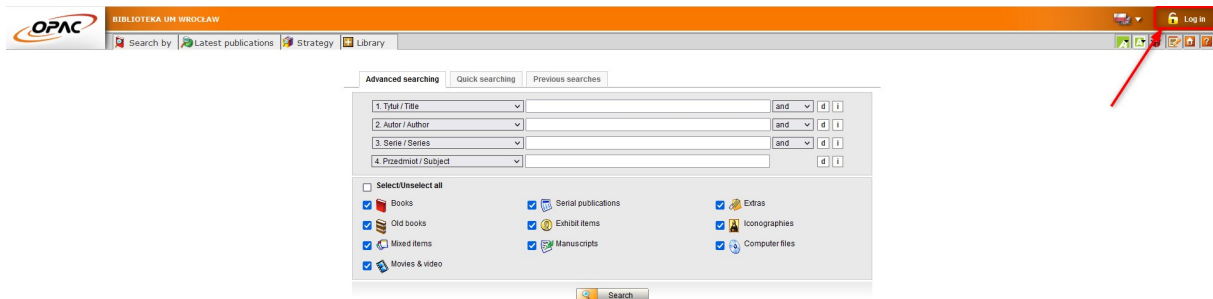

If you need a book that is not in the Library's collection, you can suggest purchasing it.

Go to the library website [bg.umw.edu.pl](http://bg.umw.edu.pl)

Select the **OPAC Library catalogue**.

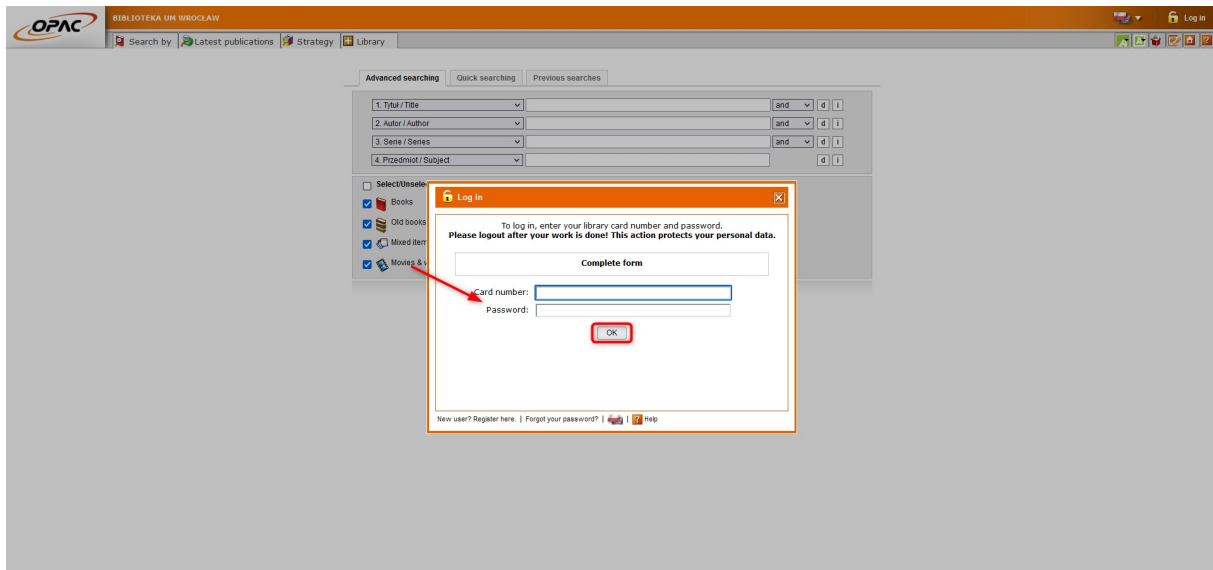

Select the **Log in** option located in the upper right corner of the screen.

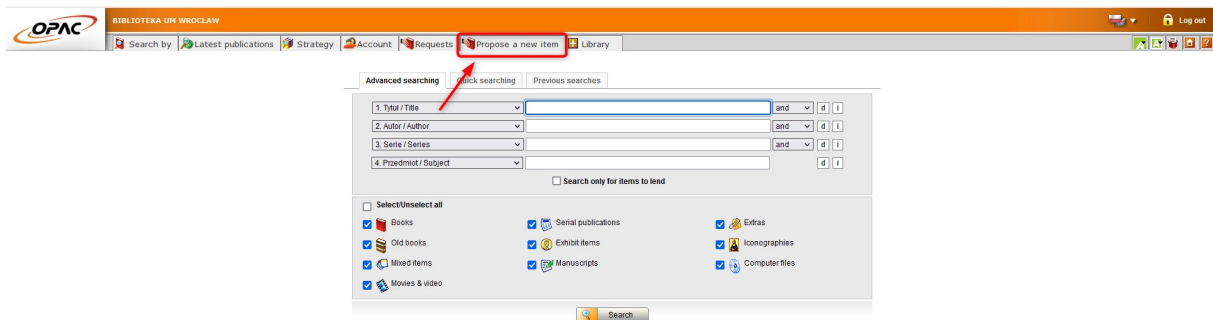

Enter your **login and password**, select **OK**.

NOTE: the login is name.surname or library account number, the password created during registration.

After logging into your account, select the **Propose a new item** tab.

Fill in the required fields (marked with a dot) and select **Send**. The form will be sent to the Content and Collections Department.

• - Necessary information

If you want to see a list of your proposals go to the **Account** tab.

Then select the **Proposals of new items** option.

The screenshot shows the OPAC interface for Biblioteka UM Wrocław. The left sidebar contains a menu with 'Proposals of new items' highlighted in a red box. The right side shows a 'Borrowed items' table with the following data:

No.	
1.	<a href="#">Ćwiczenia z biochemii : s</a>
2.	<a href="#">Lwice trenują inaczej : jak</a>
3.	<a href="#">Rekonstrukcja Milona : ja polskie. - Łódź : Galaktyka</a>
4.	<a href="#">Anatomy of orofacial struc</a>
5.	<a href="#">Atlas of human anatomy /</a>

Here you will see a register of your desiderata with their current status. When the Library decides to cancel or process a suggestion, you will receive information about it.
