If a window with a five-digit number (library account number) appeared on the screen, the process was carried out correctly. The data has been saved in the system, but your library account is not yet active. You must come to the Library in person to authorize the data. You have 14 days to do so; the expiration date of your account is displayed on the screen.

The screenshot shows the 'Registration confirmation' page of the Library of Wrocław Medical University. At the top, there are logos for 'BIBLIOTEKA' and 'Polska Platforma Medyczna'. Below the header, there is a search bar and navigation links for 'News', 'Collections', and 'Rankings'. The main content area has a blue header with an 'Information' icon and text stating: 'You have successfully registered. Your data has been saved in the database. However, your account is currently blocked and you cannot reserve or request items from the library. In order to unblock your account and gain full user privileges, please register at your library department within the next 14 days. After registration, your library department will issue you with a user card and log in details. We hope you enjoy using the Prolib system.' Below this, a table displays registration details:

Your ID	Date of registration	Account expiration date
42826	2025-09-23	2025-10-07

A red arrow points to the 'Account expiration date' (2025-10-07). At the bottom of the table, there is a blue button labeled 'OK'.

Complete the paper registration form. Both sides. Write down the PESEL number from your ID card.

The image shows two pages of a handwritten 'Student Registration Form'. The left page contains the following fields and handwritten entries:

- Surname: Doe
- Name: John
- Date of Birth: 01.01.1996
- PESEL: 9601011111
- Index Number: 12345
- University/Faculty: English Division
- Permanent Address: 49 Featherstone Street, London EC1Y 8SY
- Temporary Address: Wajciecha 2 Brudzewo 10, 51-601 Wrocław
- Student e-mail: john.doe@student.umw.edu.pl
- Phone number (optional):

The right page contains two 'Declaration' sections. The first declaration is signed 'Doe' and dated '15.10.2025'. The second declaration is also signed 'Doe' and dated '15.10.2025'. Both sections include the text: 'I hereby agree to the creation of my account and the recording of my item loans and returns in the PROLIB library management system.' and 'I declare that I have read and agree to abide by the Rules and Regulations of the WMU Library.' The second declaration also includes the text: 'The sharing of my e-mail address means I agree to receive by e-mail any information regarding the use of the WMU Library management system.'

Prepare your Student ID card with the current sticker and approach the librarian.
